Dear Brittany,

We did have a call and I sent the documents accordingly to Kieran to create both the digital and the general brochure, the later you deliver the printed version to me in Rio.

For the Digital offering presentation I am waiting on that PPT to be done, find attached the translation I got.

Dear Molly and Pedro,

Did you have the opportunity to follow up on this and put materials together for what we can offer in Brazil? It's now higher on the to-do list for us, if you can help, Molly?

Thanks so much!

Best wishes,

Hi Pedro, hope all is well - just wanted to follow up here to see if we can set up a time to speak to learn more about the specific needs that should be addressed in this collateral. Thanks.

Hi Pedro, hope all is well! I've investigated the capabilities in our various digital platforms for this region, and I believe at this point what would be most helpful is to have a conversation with you to learn more about the specific work you'll be engaging in and learn more about potential solutions that would be most useful for this market.

Do you have any availability to connect on the phone next week?

Thanks,

Molly

Pedro, great to connect with you. Attached is the current standard digital pitch and brochure; I'll also work to pull together some specific materials that speak to our Brazil capabilities as well, and then we can discuss any additional specific materials that would be helpful for you.

Dear Molly,

I'm writing to introduce you to Pedro who will be working to expand our reach into the political and commercial verticals in Brazil.

If you are able to do a write up about our capabilities in Brazil (and Mexico while you're at it), it would be very useful for our upcoming pitches.

Also if you have some of the slides you used in our Orlando presentation that would be very helpful as well.

Let us know and thanks!

Best,

B
