Hi Tee,

Thank you for the update.

1. Great, I will now speak to Maria and Donniell at Concordia, so they can further provide us with information on who else will be participating at the selected SD, and what the timings and logistics are on the day.

2. This is a question for Mark, but I assume SCL won't be covering the costs, but please discuss with Mark. I also asked Donniell the same question last week, but both her and Jon smartly ignored it, so I believe they would not be covering any costs, however, let me address it in my email again, and will let you know on Thursday morning.

Thanks,

Livia

Hi Livia,

I hope you're having a great break! We've had a great and jam-packed day. Think SCL Malaysia and Balkans have had a successful immersion.

Regarding DP of Malaysia attending Concordia, I have two follow-ups:

1. The Right Honourable Dato' Seri Ahmad Zahid Hamidi, Deputy Prime Minister of Malaysia, will contribute to the 'Intelligence from Open Sources: Partnerships for International Security' dialogue. Azrin *hopes we can provide the logistics of this discussion, such as time expectation and other panel speakers.*
2. Hotel logistics for The Right Honourable Dato' Seri Ahmad Zahid Hamidi, Deputy Prime Minister of Malaysia. *Do we or Concordia provide logistical assistance for accommodation logistics? Note: the Malaysian Government Officials normally stay at St Regis New York, but the Grand Hyatt also works.*

Thanks in advance. Let me know when you can.

Best regards,

Tee

Hi Tee,

The SD pager below was sent to Azrin last week. I explained to him that the DPM can choose to position himself in ANY of the themes - SD is a great opportunity to present Malaysian policy perspective. Azrin confirmed that he would see with the DPM's office, and let me know.

Hope this helps.

Thanks,

Livia
